DISTRICT OF MASSACHUSETTS

MARKO BOSKIC)	

JOINT STATUS REPORT

Pursuant to the Court's Order of June 10, 2005, the parties have conferred and file this Joint Status Report:

1. The defendant has filed a motion to suppress his statements; a motion to dismiss; and has sought reconsideration of a ruling by the Magistrate Judge on a motion for a bill of particulars. The government anticipates filing a motion for a protective order that would restrict release of non-public discovery.

2. The parties request that the Court schedule a hearing on defendant's motion to dismiss and request for particulars. The parties request that a further pretrial conference be scheduled in September and suggest that a hearing on the motion to suppress may be scheduled at that time.

3. At this time, it is anticipated that there will be a trial in this case.

4. The defendant Marko Boskic requests that a Serbo-Croatian interpreter be available for the defendant at each hearing where he is present.

5. The defendant Marko Boskic is being detained pending trial in this case.

6. This is a one-defendant case; no defendants are fugitives.

7. The defendant requests the opportunity to discuss matters with the Court in a chambers conference.

Respectfully submitted,

For the Defendant:

For the United States:
